### FOR IMMEDIATE RELEASE

#### **Big Rivers Waterpark & Adventures Hosting Free COVID 19 Vaccine Drive on Saturday, October 9**

New Caney, TX (September 21, 2021) Big Rivers Waterpark and Adventures announced today that they will be hosting a Free COVID-19 Vaccine Drive on Saturday, October 9 & Saturday, October 30 in partnership with the Texas Division of Emergency Management.

Big Rivers invites anyone who is interested in getting vaccinated to come to Big Rivers on Saturday, October 9 between 11 am and 4 pm. Every person vaccinated will get a free daily general admission ticket to come in the park. Second doses will be administered on Saturday, October 30 and guests will receive a second daily general admission ticket!

“Big Rivers loves and supports our guests and surrounding community” says Monty Galland, CEO of Big Rivers Waterpark and Adventures. “We were the first waterpark in the nation to open in 2020 and we have always tried to find a balance of safety and comfort for our guests. With this mindset we have partnered with the TDEM to make vaccines available right here at Big Rivers Waterpark & Adventures. To encourage participation, guests receiving vaccines will be given free admission to the park on each day of their injection.”

Vaccines will be administered by the Texas Division of Emergency Management. Interested people are asked to come to the park, located at 23101 TX 242, New Caney, TX 77357, on Saturday, October 9 between 11 am and 4 pm. A photo ID is not required, but helpful. Also, insurance is not needed or required and there are no fees. Newly vaccinated people will be asked to wait for 15 minutes after the injection, to be monitored for adverse effects. TDEM will be administering the Pfizer vaccine, which will require a second shot. Guests will have an opportunity for both on October 9 and on October 30. For additional information about the COVID 19 vaccine drive or about Big Rivers Waterpark & Adventures, please visit [bigriverswaterpark.com](http://bigriverswaterpark.com)
